

PICK UP

TRAVEL

Pick up is from Gqeberha (Port Elizabeth) airport. Exceptions can be made for pick up from East London airport but the drive is not as pleasant. There is a stop off as we leave the city incase the guests would like to get anything from the shops. Only soft drinks, beer & wine is included in the package so guests are offered a stop at the liquor store as well if they wish to purchase spirits.

The drive is about an hour and a half to get to the lodge. Game Reserves and National Parks are along both road sides all the way so they often spot animals during the trip whilst getting to know their personal guide. Depending on what time they arrive, lunch will be provided as well as an afternoon activity if they are feeling up to it.

DAY 1

DAY AT TUSKERS LODGE

In order to combat the jet lag, the first day is to adventure and relax. Guests are given the option of guided walks, drives, bird watching or just the opportunity to relax in the pool or wood fire hot tub. Given that each package comes with a personal guide, there is the option if guests wish to add an additional activity into this day or head to the nearest town for a history outing, sight-seeing or simply some shopping.

All the animals around the lodge are free roaming. Guests can sit from the comfort of their room or patio and view them grazing on the plains. There are no dangerous animals on the property either so guests have the opportunity to wander freely. A variety of animals can be viewed on foot including, but not limited to; grey duiker, Burchells zebra, common and black impala, giraffe, kudu, nyala, blue duiker, bushbuck, blue and golden wildebeest.

DAY 2

PUMBA PRIVATE GAME RESERVE

After breakfast the guests leave Tuskers Lodge to be at Pumba by 09h30. From here they have welcoming drinking, a morning game drive and an afternoon game drive.

There is very little walking allowed on the reserve for safety reasons however there is a short walk to one of the lookout points.

Guests get back to Tuskers Lodge around four o'clock in the afternoon and are given the opportunity to go for a walk, drive or sundowners at one of our various lookout points.

DAY 3

PORT ALFRED

If an extra activity has not been added:

After breakfast at Tuskers the guests drive towards the coast. Here they visit Bathurst, home to the *World's Biggest Pineapple* as well as *The Pig and Whistle* which is the oldest licensed bar in South Africa. They walk along any of Port Alfred's beautiful beaches and have a picnic lunch.

Dinner is at a riverside restaurant *Ocean Basket* or a seaside restaurant *Guidos*. Afterwards guests are taken back to Tuskers Lodge.

DAY 4

KWANTU PRIVATE GAME RESERVE

Animals that can be viewed at Kwantu are including but not limited to; lion, leopard, rhinoceros, elephant, cape buffalo, hippopotamus, cheetah, meerkats, eland, giraffe, various antelope and over 250 bird species.

DAY 5

BEACH DAY AND DIAZ CROSS

If an extra activity has not been added:

After breakfast at Tuskers the guests dive towards the coast. Here they visit Kenton on Sea and Cannon Rocks. They then do a beach walk to Diaz Cross and come back for another beach picnic lunch.

The rest of the afternoon may be spent along the coast or they can take a slow drive back passed Game Reserves spotting animals along the way. Once back at Tuskers, guests may spend the afternoon relaxing or opt for another guided activity.

DAY 6

ADDO ELEPHANT NATIONAL PARK

After breakfast the guests leave Tuskers Lodge to be at Addo around 09h00 however they may go earlier or later if they wish as there is no specific time. This is because the safari is driven by their guide and not booked in advance thus they may choose to arrive at any time but must leave by 17h00 when the park closes.

There is a safe, private picnic area half way through the park route where everyone gets together for a BBQ lunch & some drinks. The bird life here is astounding & many species come quite close to look for treats.

Animals that can be viewed at Addo are including but not limited to; elephant, hippo, buffalo, zebra, wildbeest, black rhino, lion, leopard, cheetah, wild dog, spotted hyena, many other antelope species and over 300 species of birds.

DAY 7

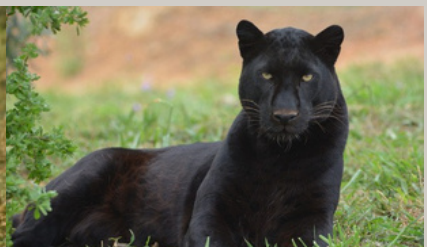

THREE VALLEYS AND RIVER CRUISE

After breakfast the guests leave Tuskers Lodge to be at Three Valleys by 08h30. Here they have a game drive, full tour of the sanctuary as well as the Protea farm. There is a light snack and tea at a designated picnic spot before being picked up.

Animals that can be viewed at Three Valleys are including but not limited to; white lion, black leopard, tiger, caracal. At midday the guests are taken to the docks in Port Alfred to board for an afternoon river cruise.
