

TUSKERS TAXIDERMY

Eastern Cape, South Africa

Tuskers Taxidermy is located at Tuskers Lodge, you can pop in and visit when you are on Safari with us

Step 1:

Decide what you want to take home with you. Once the animal is skinned we are committed to your discission.

Step 2:

Your PH and Tracker will skin and tag your animals accordingly, wash and put your skin in the salt bay.

Step 3:

On completion of your Safari, we will in the PH register, Taxidermy Packing List and Taxidermy Invoice. These are our instructions on what to do with your trophies. Payment on completion of your order. You will get your unique order number and folder with all information including pictures of your hunted trophies for cross reference throughout the system.

Thank you for your business!

Step 4:

Your skins are salted, dried and stored. Your skulls are boiled and cleaned. Your order goes into its own storage shelf in line for processing.

Step 5:

We move your skins into tanning, flesh and mount your order. If its dip and pack, we crate and send. We apply for permits and contact you for order confirmation or any last minute changes

Step 6:

When your mounts are complete and drying, we send you pictures. Drying varies on the seasons here, winter slow, summer fast.

Step 7:

Once your mounts are dry, we do the finishing touches, airbrush and clean. We send photos again and ask for payment.

Step 8:

All your trophies are packed as tightly as possible to save you money. The crate is collected by our shipping company, Rex Freight, they will contact you for shipping options. Small crates we use DHL. Big crates shipping companies.
